OUTDOOR  
CABINETRY

## ENDURANCE

Wolf Endurance is affordable deck, patio and garage cabinetry designed to last. Fully-assembled, free-standing, aluminum construction provides superior strength and performance. Endurance cabinetry will not rust, swell or warp from moisture and is highly resistant to mold and mildew. Plus, Endurance is lightweight and easy to configure and install.

Endurance Cabinetry provides customers the freedom to utilize cabinetry in almost any setting, including elevated decks, roof top decks, patios and garages.

### LIGHTWEIGHT

Easy to handle and install.

### EASY TO CONFIGURE AND INSTALL

Custom configurations and adjustable legs that accommodate every surface.

## FINISH

Exposed exterior surfaces are coated with architectural grade super durable HAA polyester powder coating, featuring high quality exterior grade pigments. This coating exhibits superior outdoor weathering properties that follows AAMA 2604 requirements.

AVAILABLE IN:

White  
(082)

Ash  
(080)

Black  
(081)

Style codes referenced in parentheses

### POWDER-COATED FINISH

Powder in the exclusive all-weather finish meets AAMA 2604 specifications.

## ALUMINUM CONSTRUCTION

Endurance Cabinetry's all aluminum assembly with a welded inset face frame provides outstanding structural strength and aesthetic appeal. All cabinets are comprised of bent panel subassemblies and insulated laminated doors. The base of the unit is an aluminum panel assembly. All door and drawer openings are sealed with a EPDM D-Seal to insure a weather resistant interior. All exterior hardware is 304 stainless steel again making it perfect for outdoor applications.

Structural Reference: 36-inch wide open cabinet is stable up to a 750lb static load.

### ALUMINUM CONSTRUCTION

Durable construction at a cost substantially less stainless steel.

### FULLY ASSEMBLED

Freestanding and ready to use right away.

### SEALED STORAGE

Keeps supplies dry inside, and rain and moisture outside.

WOLF ENDURANCE CABINETS ARE MADE FROM MORE THAN **25% RECYCLED MATERIALS**

# CABINET SPECIFICATIONS

		Description
1	<b>BOX</b>	Seamless, one-piece side and back panel (.040 mill finish aluminum) bent for strength
