

## Wall Cabinets / Square Corner | 12" Deep

Design Tips:

- When cabinet is "pulled", it will use proportionally more wall space. For example, a 30" wide Wall cabinet pulled 2" will use 32" of space
- Blind side of Wall Corner cabinets cannot be installed next to a Range Hood or Microwave Shelf door due to door interference
- Cabinets can be flipped during installation for right hinge applications
- Reference Installation Charts for proper sizing identification, see page 68
