QUALITYCABINETS TEN-YEAR LIMITED WARRANTY

Masco Cabinetry LLC, is proud of our products and stand behind our quality and workmanship.

As with other natural materials, wood is affected by environmental factors such as natural and artificial lighting, moisture and relative humidity. Darkening or mellowing of the wood can be expected and is a natural part of wood as it ages. Each wood specie also exhibits its own distinctive patterns and characteristics that add to its natural beauty. These variations in color and characteristics are not considered imperfections or defects. This warranty does not cover the natural aging and darkening of wood color, nor does it apply to the inherent growth characteristics of wood. Please review and abide by all storage and installation instructions.

WARRANTY COVERAGE

QualityCabinets products, manufactured and assembled by Masco Cabinetry LLC and purchased from an authorized dealer ("Products"), are warranted to the original purchasing consumer for a period of TEN YEARS from the date of purchase against defective materials or workmanship. This warranty is not transferable.

Should any of the Products prove defective or deficient under normal use for QualityCabinets purchased after August 22, 2016, the defective parts will at our option either be repaired or replaced. In keeping with our continuous product improvement policy, we reserve the right to replace defective parts with parts of equal or greater value.

EXCLUSIONS FROM COVERAGE

This warranty does not cover removal, installation, labor or transportation costs to Masco Cabinetry LLC of the defective Products. Nor does this warranty cover any product used or installed in connection with the cabinets or cabinetwork, such as plumbing fixtures, gas or electrical appliances, or countertops. We shall provide for the cost of the return shipment of repaired or replacement Products to the consumer, if deemed necessary. This warranty does not apply to damages or defects related to improper handling, storage, misuse, alterations, installation or Products used for any purpose other than normal use. Slight color variations for repair or replacement parts and color variations that may occur over time are not considered defects or deficiencies under this warranty.

TO THE EXTENT PERMITTED BY LAW, MASCO CABINETRY LLC SHALL NOT BE LIABLE FOR LOSS OF USE OF THE PRODUCTS, CONSEQUENTIAL, INDIRECT OR INCIDENTAL DAMAGES RESULTING FROM THE USE, INSTALLATION, PERFORMANCE OR FAILURE OF ANY PRODUCTS. Some provinces and some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

This warranty gives you specific legal rights, and you may also have other rights that vary from state to state and from province to province.

How to Use This Section

This section contains pricing for all replacement doors and drawer fronts. They are listed by their nomenclature and sorted by nominal height (last two numbers of the nomenclature) from largest to smallest.

To look up the door(s) and drawer front(s) in the Pricing section, find your door style in the Door Style Index and note the price column number. Then find the replacement door needed in the pricing index under the price column number appropriate to your door style.

Construction

Base Cabinets

1. Constructed for daily use (3/8" thick end panels attached with wood-to-wood glue and staples)
2. Moisture resistant (woodgrain laminate interiors)
3. Strong and sturdy frames (1½" wide front, 3/8" thick, solid wood)
4. Reinforced components (1/4" thick engineered wood back extends all the way to the floor for added strength to help reinforce back corners of the cabinet)
5. Overall strength (solid pine or Douglas fir hang rails provide greater rigidity)
6. 6-way, fully concealed, adjustable hinges
7. Structurally square design (four 1/2" thick engineered wood gussets help keep cabinet square and are dado cut into the side panels to improve the strength of the cabinet)
8. 1/2" thick engineered wood drawers feature natural colored woodgrain laminate interiors
9. Better alignment (dual-captured, self-aligning white drawer guides are side-mounted and hold up to 75 lbs.)
10. Sturdy under-shelf support (locking shelf clips help hold shelf securely; cabinets 39" and wider also have support cleats as shown)
11. Strong shelves (5/8" thick engineered wood; natural woodgrain laminate in color makes the use of shelf paper optional)
